Leadership Legacy Literacy

Living Your Life Framework

This Framework is intended to contextualize the multiple aspects of living to help frame the life aspired and serve as a reference to financially set the conditions for realization over time.

Life Alignment

Appreciating the various components of life to visualize where you want to go and take actions to enable realization of your goals and aspirations.

"An educational tool and planning product for adults of all ages"

JEDWHITE

Life Happens ... with or without a Plan

Proactive & Postured
or *Reactive & Uncertain*

Framework Orientation

Let's talk about the framework in more detail and find out if you / your organization can benefit. To better understand the components, the program and how a workshop can support your goals simply **Text "LYLF" to 757-598-4316**

Life Alignment Workshop Request

Are you ready to make this happen for you, your family, or your organization? Request a 1-on-1 session with me and we can work the details and get this on your calendar!
